PQ 2638/25*To ask the Minister for Health the status of the funding approval for the development of the health centre in Ballyhale, County Kilkenny; and the timeline for the delivery of the project. -John McGuinness

Dear Deputy McGuinness,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response

The HSE have met with General Practitioners regarding the development of a health centre in Ballyhale, Co. Kilkenny.

A strategy was agreed at that meeting on how best to proceed with the next step being the preparation of an Option Appraisal. This will in turn inform the required documentation and approval process to consider the merits of this proposal for Capital funding.

Yours sincerely
