PQ 3503/25 - To ask the Minister for Health the bed occupancy rates of each public and public voluntary hospital, by hospital group, for each December and January for each year from 2019 to 2025; and the national average, in tabular form; and if she will make a statement on the matter. -David Cullinane

Dear Deputy Cullinane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

The HSE Business Information Unit (BIU) is a central repository for activity information for Acute and Non Acute Services. The BIU collects, collates and validates extensive amounts of data which is used in performance monitoring and measurement to support the HSE in operational and strategic decisions.

The information requested has been provided in the attached Excel file supplied by the Acute BIU, please see the explanatory information on the Excel file and outlined below.

The BIU have advised data for January 2025 is not yet available.

Galway University Hospital are currently undergoing a validation exercise locally of their data in this regard, as a result the full validated data for this site is not yet available.

## Data notes:

- CHI @ Tallaght temporarily closed in Q2 2020 due to COVID-19 and Inpatient services transferred to CHI Crumlin and CHI Temple Street.
- National Rehabilitation Hospital came under the governance of Acutes in January 2021.
- Galway University Hospital has been excluded as data is under review.

I trust this is of assistance to you.

Yours Sincerely,

Nessa Lynch General Manager Access and Integration

Please note data contained in this report is preliminary and may be subject to change
