Re: **PQ 4219/25 –**
WTE Diabetes Specialist Pump Nurse

Dear Deputy Lawlor,

I refer to recent PQ in relation to the provision of one WTE Diabetes Specialist Pump Nurse for patients with Diabetes to have a greater chance to access Insulin Pump Therapy at Wexford General Hospital.

I wish to advise that there is no Insulin Pump Therapy service currently at WGH. However, a Consultant Endocrinologist is due to commence in post in late April 2025, at which point we will review the feasibility of the establishment of such a service.

I trust that the above information is helpful to you.

Yours sincerely,

LINDA O'LEARY,
HOSPITAL MANAGER.
