RE: PQ 4409/25 To ask the Minister for Health if a site has been located for the new community nursing home in Roscrea. -Alan Kelly

Dear Deputy Kelly,

I refer to your correspondence dated 17th February, 2025

The HSE is currently reviewing potential site options for the development of a new 50-bed Community Nursing Unit in Roscrea and is inviting expressions of interest from interested parties for the siting of the new facility. The site should be between 3.5 and 5 acres, should have the appropriate zoning and should be easily accessible from Roscrea town centre and local community facilities.

The deadline for submissions to estates.midwest@hse.ie is 12th March, 2025 at 12 noon. Once a suitable site has been identified, the HSE will engage with key stakeholders on the initial design phase prior to an application for planning permission.

I trust this clarifies the position. Please contact me if you have any further queries.

Kind Regards,

IAN CARTER
