Our Ref: GM/Communications

PQ5364.25: To ask the Minister for Health the total number of women, per month, screened at the BreastCheck mobile unit in Blanchardstown, Dublin 15, from January 2024 to date, in tabular form.

PQ5365.25: To ask the Minister for Health the total number of women, per month, screened at the BreastCheck Eccles Street unit, Dublin 7, from January 2024 to date, in tabular form.

Dear Deputy,

I refer to the above two Parliamentary Questions, following my response to you on 6 February 2025.

We regularly publish data on our screening programmes.

In December, we published a new [Activity and performance data](#) webpage with new quarterly data reports. The webpage is a hub for tracking participation and screening activity across our four screening programmes. We report ongoing activity across each screening programme as a whole, and not by individual units.

We publish our data quarterly in arrears. This data is preliminary and may be updated in the future. Our most recent finalised data can be found in our [Programme Reports](#).

Thank you for your interest in BreastCheck.

Yours sincerely,

Fiona Murphy,
Chief Executive.
