PQ 5462/25* To ask the Minister for Health for an update on the proposed new primary care centre for the town of Sixmilebridge, County Clare; and if she will make a statement on the matter. -Cathal Crowe

Dear Deputy Crowe,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

The HSE has commenced with the tender procedure for a new Primary Care Centre for Sixmilebridge via the HSE Operational Lease Model on the E-Tenders procurement platform.

There are two stages of this procurement process which is currently underway. The publication on the E-Tenders Procurement Platform is the first step in the procurement process. It is intended to proceed with the second stage of the advertisement (the Invitation to Tender/Priced Offer Stage) on the E-Tenders Procurement Platform in the coming weeks.

Yours sincerely
