PQ 5528/25 To ask the Minister for Health the progress that has been made in terms of a developing a new ambulance base in Gorey, County Wexford; its projected timeline for development; and if she will make a statement on the matter. -Fionntán Ó Súilleabháin

Dear Deputy,

The project for the provision of an ambulance base located in Gorey is currently at the initiation stage. HSE Capital & Estates had re-engaged a design team to carry out an Option Appraisal on all available potential sites in Gorey for a proposed Ambulance base – which concluded in Q3 2024 with a preferred option. A full Capital Submission will now be made based on the outcome of the Option Appraisal.

Subsequent to approval, a Design Team will be appointed in 2025; thus, allowing the project to progress through the various stages i.e. design, planning and construction stage.

I trust this information is of assistance.

Yours sincerely,

Vincent Cronly
Director of Planning and Infrastructure
National Ambulance Service
