PQ 6052/25

Dear Deputy Kelly,

I refer to your correspondence dated 13th February 2025.

The construction of the 96 bed block remains relatively on track and recruitment is progressing to plan. Following completion of construction and commissioning the block will be fully operational by September 2025.

The new 16 bed block is suitable for opening in June.

I trust this clarifies the position. Please contact me if you have any further queries.

Kind Regards,

Sandra Broderick
