Mr. Peadar Tóibín, TD

28 February 2025

PQ 6934/25 (Health): To ask the Minister for Health her plans to incentivise Irish medical staff back from Australia and Canada to work in the HSE -Peadar Tóibín

Dear Deputy,

I refer to your recent Parliamentary Question which was sent to the HSE for response.

The HSE offers a competitive International Relocation package [HR Circular 001/2023 - International Recruitment – Relocation Package](#) to incentivise Irish emigrants across all disciplines who have travelled abroad and wish to return home. The HSE recognises that an enhanced relocation offer may help position the HSE as an attractive employer across international candidate pools in a globally competitive market.

Relocation package includes allowances payable to candidates to meet initial costs of relocating. This allowance is payable towards vouched accommodation and flight expenses up to a combined total amount of €4,160 for candidates relocating from the EU / UK and €4,710 for candidates relocating from non-EU countries.

I trust this is of some assistance.

Yours sincerely,

Mairéad Ryan
