**RE: PQ7311/25**

**To ask the Minister for Health if the minister will provide an update on plans to reinstate  
Primary Care Psychology Service in Castlerea, Co. Roscommon**

Dear Deputy Daly

The Health Service Executive has been requested to reply directly to you in the context of the above Representation which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

Thank you for your correspondence regarding the vacant Psychology Assistant role covering Castlerea and surrounding areas in the Primary Care Psychology service in Roscommon.

We'd like to acknowledge your appreciation of the service over the last ten years and your concerns about the impact that the absence of this service in the last 18 months is having on the local community.

These concerns have been discussed at a senior level. If any developments arise in this regard we will be in touch accordingly.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours Sincerely

---
