- Pa Daly

Dear Deputy Daly,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question (7336/25) which you submitted to the Minister for Children; Equality; Disability; Integration and Youth for response.

The HSE is committed to delivering efficient high-quality services to all eligible service users. In 2024, there were 346,999 patients seen by HSE Occupational Therapy services. Each Health Region is focused on improving access to care in order to reduce waiting times for patients in the context of resources available.

Please find the attached appendices, which contains, in tabular form, details of the Primary Care Children's Occupational Therapy waiting list for each LHO area, for December 2019 to December 2024 and March 2025 which is the latest data available at this time. The requested data for 2018 and prior years is not available as this data is no longer supported by the HSEs Integrated Information Service.

Appendix 1 – Children's Occupational Therapy Waiting List December 2019 to December 2024
