Response

Dear Deputy,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The HSE does not have a single financial system and therefore is not in a position to provide this information. However, the HSE is in the process of implementing a single, national integrated financial management and procurement system (IFMS). The deployment of IFMS will, for the first time, provide quality standardised financial and procurement information across both statutory and voluntary services.

I trust this information is of assistance to you, but should you have any further queries please do not hesitate to contact the Office of the National Director of Procurement on (01) 635 2251 or via ProcurementND@hse.ie.

Yours sincerely,

Gareth Morton | National Director of Procurement | HSE | Dr. Steevens' Hospital | Dublin 8 | D08 W2A8 |
