(a) the terms and conditions of employment (including terms and conditions relating to remuneration and allowances) of employees appointed under this section, and

b) the grades of the employees of the Executive and the numbers of employees in each grade.

In this regard, the sanction of any new post on behalf of the Minister by the Department of Health supersedes any related HSE Circular unless specifically referenced within the sanction.

Any employee who accepts appointment to a role where qualification allowances are explicitly excluded by such sanction is fully aware in advance of accepting appointment that such allowances will not be paid.

I hope this information is helpful

Yours sincerely
