Re: PQ 7727/25 - To ask the Minister for Children; Equality; Disability; Integration and Youth the number of children in Louth currently on the waiting list for an assessment of needs; and if she will make a statement on the matter – Erin McGreehan

Dear Deputy McGreehan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and outlined the position as follows.

Currently there are 822 on the wait list for an Assessment of Need with Louth AON, which covers the county of Louth, as well as the North Meath area.

I trust the above is in order but please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

Wanetta Duff
General Manager, Disability Services, HSE Louth Meath CHO
