Dear Deputy Moynihan,

The Health Service Executive has been requested to reply directly to you regarding your parliamentary question, which you submitted to the Minister for Health for a response. I have examined the matter and the following outlines the position.

The Health Service Executive (HSE) confirms that the Adamstown Primary Care Centre is currently in development and is scheduled for completion in the first quarter of 2026, with time to be allowed post building handover for equipping and transitioning of services in Quarter 2 2026.

I trust this information is of assistance to you but if you have any queries or require any further information, please do not hesitate to contact me.

**Yours sincerely,**
