Dear Deputy Sherlock,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted for response. I have examined the matter and the following outlines the position.

Integrated Health Areas of Dublin North County and Dublin North City & West Primary Care Unit team have advised the information required is not readily available within the Primary Care Unit. However, we can provide the information as at the end of 2024 the number of registered GMS GPs within the Integrated Health Areas of Dublin North County and Dublin North City & West areas requested as follows:

The information in respect of GP's per hundred thousand of population is not available as requested, however, please see the table below which demonstrates the Central Statistics Office (CSO) Census 2022 population figures broken down into Community Health Network populations

<b>HSE Integrated Health Areas Dublin North County and Dublin North City &amp; West</b>		
<b>Primary Care</b>		
<b>Area</b>	<b>Number of GP's 2024</b>	<b>Community Health Network Population (Source: Census 2022)</b>
Dublin North City and County	291	680,766
Ballymun Network	19	42,513
Cabra Network	23	70,384
North Inner City Network	15	52,872
Clontarf Network	44	61,177
