PQ 35220 - To ask the Minister for Health the number of pain management specialists currently employed in University Hospital Waterford; the number of hours they are contracted to work

Dear Deputy Lawlor

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

I can confirm that University Hospital Waterford have two WTE Consultant Anaesthetists with SI Pain Management. They both work 37 hours per week.

I trust the above is satisfactory but if you have any queries please do not hesitate to contact me.

Yours sincerely,

Ben O' Sullivan
