Question

To ask the Minister for Health to list all the public services contracts worth €10 million or more, which have been granted by herself or the forerunner for her Department, or other State bodies in the past five years; the value of each contract; the length of term of each; the expiration date of each contract; and whether any contract was discontinued during its term and for what reason. -Aengus Ó Snodaigh

Response

Dear Deputy Ó'Snodaigh,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

Please see attached list of contracts worth €10 million and above, which have been granted, and details on whether they were discontinued or not are found therein.

Please note, all of these contract values are estimates at the time of contract award. It is only possible to get the actual values of contracts after the implementation of the IFMS, which enables us to have full visibility of the values of contracts.

I trust this information is of assistance to you, but should you have any further queries please do not hesitate to contact the Office of the National Director of Procurement on (01) 635 2251 or via ProcurementND@hse.ie.

Yours sincerely,
