Mr. Thomas Gould., T.D.,
Dáil Éireann,
Dublin 2

PQ ref 36927/25

"To ask the Minister for Health for an update on the primary care centre in Mayfield."

Dear Deputy Gould,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

Mayfield Primary Care Centre is being delivered via a lease model, as per standard national practice. The centre has been tendered and a tenderer has been appointed. The tenderer has made a planning application for the facility and Cork City Council Planning Department has requested further information on this application. The additional information is currently being compiled and once this has been completed, the planning process will continue.

If I can be of any further assistance please do not hesitate to contact me.

Yours sincerely,

David Lane
Acting Head of Service - Primary Care,
