**PQ 37287/25\*To ask the Minister for Health if the HSE has completed the assessments of tenders for the development of a primary care centre at An Spidéal, County Galway; if it has selected a successful tender; and if she will make a statement on the matter. - John Connolly**

Dear Deputy Connolly,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

It is the intention of the HSE to deliver a new Primary Care Centre in An Spidéal, County Galway via the Operational lease Model.

To that end a tender process was initiated via advertisement on the E-Tenders Procurement Platform. There are two stages to this current procurement process. The publication on the E-tenders Procurement Platform was the first stage in the procurement process. The second stage was the Invitation to Tender where priced offer proposals were sought. Tender returns were received at the end of March 2025, the evaluation process is ongoing.

Yours sincerely
