**RE: PQ37464/25**

**To ask the Minister for Health for a status update on the planned primary care centre for Portumna; the steps being taken to expedite this; and if she will make a statement on the matter.**

Dear Deputy Dolan

The Health Service Executive has been requested to reply directly to you in the context of the above Representation which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

I refer to your Parliamentary question in relation to the planned Primary Care Centre in Portumna.

The HSE is currently looking at procurement options for a new Primary Care Centre in Portumna including capital build and leased facility. A decision will be made on this in the coming weeks and the project moved to procurement stages.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours Sincerely

---
