**PQ 37511/25**

**“To ask the Minister for Health to outline the purpose and current status of systematic review on the outcomes of interventions for gender dysphoria in adults, which National Gender Service staff are involved in (details supplied)”**

Dear Deputy Murphy,

The Health Service Executive has been requested to reply directly to you in the context of the above request, which you submitted for response. I have examined the matter and the following outlines the position.

I am advised by the National Gender Service team that the purpose of this research project is to assess the mental health, psychosocial and physical health outcomes of interventions for gender dysphoria in adults. The research project continues to progress with no detail of research outcomes yet available.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours sincerely,

---
