To ask the Minister for Health if the linear accelerator and CT scanner in CUH which has been closed in recent times, remain closed as of 2 July 2025; when it is anticipated it will be in use; and the staff that are required to achieve this.

Dear Deputy O’Laoghaire

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

The linear accelerator and the CT scanner remain closed. It is anticipated that the staffing will be in place to open them both by the end of December 2025. 12 WTE will need to be recruited.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely,

Ms. Jennifer Kearney
Chief Executive Officer
