Dear Deputy Kerrane,

To ask the Minister for Health if a healthcare professional (details supplied) could be trained in a hospital for breast cancer patients; and if she will make a statement on the matter. -Claire Kerrane

The Lymphatic Drainage service is part of an Oncology Service and which needs to be an integral part of same. It would not be possible to offer it as a standalone service without all the necessary other supports and Oncology backup.

Yours sincerely,

Marie Doorly,
