

25th July 2025

Deputy David Cullinane
Dáil Éireann
Leinster House
Dublin 2.

PQ 38181/25 - To ask the Minister for Health the number of hospital-initiated scheduled care cancellations, by appointment type, for each quarter of each year 2022-2025, inclusive by hospital group and hospital, in tabular form

Dear Deputy Cullinane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Questions, which you submitted to the Minister for Health for response.

Response:

The HSE collects and reports information relating to appointments and procedures which did not go ahead at the original planned date. The attached information provided includes details relating to:

- Appointment type for each of the years 2022 to 2024, by hospital group and hospital, in tabular form, this includes adults and children.
- Appointment type, for January to June 2025, by hospital group and hospital, in tabular form this includes adults and children.

Hospitals commenced reporting this data in February 2022 and as a result there are data gaps for the earlier part of this year which means that data from 2022 is not comparable with other years.

It is important to emphasise that the term cancellation in this context does not mean that the appointment did not go ahead, rather it did not go ahead on the original planned date and these appointments and procedures are rescheduled often within a short period of the original appointment.

**Additional context:**

In 2024 the HSE delivered more than:

- 686,000 inpatient cases
- 1,246,000 day cases
- 3,981,000 outpatient appointments
