“To ask the Minister for Health the number of new psychiatric wards or units opening in County Meath within the next five years.”

-Darren O'Rourke

Dear Deputy O'Rourke

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and outlined the position as follows.

Louth Meath Mental Health Services currently have no new psychiatric wards or units planned to be opened in County Meath in the next five years.

I trust the above is in order but please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

Martina Lennon,
General Manager, Mental Health Services, Louth Meath
