PQ Question: To ask the Minister for Health the locations within CHO9 where Jigsaw youth mental health services are located, in tabular form. -Sorca Clarke

Dear Deputy Clarke

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

Jigsaw is funded by the HSE to provide youth mental health services for those with mild to moderate mental health difficulties. They provide face-to-face, online and phone based services to young people aged between 12 to 25 years old while working with communities to resource and support parents and other adults who work with young people.

*Please be advised that the information requested by the Deputy has been provided by Jigsaw directly.

*Please note that this data is subject to change due to ongoing review and validation by Jigsaw.

The table below provides information on Jigsaw services that overlap with CHO9

Service	Catchment Area	Location of Service Hub	Outreach locations
Dublin City	Dublin City Council Area	1. Essex Street, D2 2. Summerhill, D1	
North Fingal	Fingal County Council Area (minus Dublin 15)	Swords	Balbriggan
Dublin 15	Dublin 15	Blanchardstown	

*Please note that Jigsaw Dublin City (because it encompasses the Dublin City Council area) also covers areas south of the Liffey (and therefore not in CHO9).

I hope this information is of assistance to you.

Yours Sincerely,

Paul Braham
Senior Operations Manager (Area DON)
