Re: PQ 38566/25 –

WTE Nurses Accident & Emergency Department WGH – 2024 & 2025 to date.

Dear Deputy Lawlor,

I refer to recent PQ with regard to the above. Please see below the number of WTE Nurses in the Accident and Emergency department working in Wexford General Hospital in 2024 and to date in 2025, as requested:

2024	59	
2025	59	This will not increase before the end of 2025 as these are our funded posts based on the activity and the national safer staffing framework.

I trust that the above information is helpful to you.

Yours sincerely,

Linda Ní Laoghaire | Linda O'Leary.
Bainisteoir Ospidéal | Hospital Manager.
