**Re: PQ 38657/25 To ask the Minister for Health the locations within Meath where HSE community specialist teams provide respiratory outreach service clinics and diabetes outreach service clinics in tabular form – Darren O'Rourke**

Dear Deputy O'Rourke

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and outlined the position as follows.

Pulmonary Rehabilitation (PR) is an exercise and education programme for people with lung disease who have symptoms of breathlessness. It can help and support them to manage their Chronic Obstructive Pulmonary Disease (COPD) and live better with it. PR assessment and classes are ran by Clinical Specialist Physiotherapists in various locations as detailed below:
