PQ38924/25 – “To ask the Minister for Health if there are plans to refurbish Howth health centre; and if she will make a statement on the matter” - Barry Heneghan TD

Dear Deputy Heneghan,

The Health Service Executive was requested to reply directly to you in the context of the above Parliamentary Question you submitted to the Minister for Health for response. I examined the matter and the following outlines the position.

I am pleased to update you that, Howth Health Centre, located within Integrated Health Area Dublin North County (IHA DNC), underwent refurbishment between October 2024 and March 2025. During this period, a range of upgrades and improvements were carried out, including:

- Reconfigured office and waiting areas
- Installation of a staff kitchen
- Upgraded storage facilities
- Replacement of doors and windows
- Installation of a new audio-visual intercom system

At present, there are no plans for further refurbishment at the centre.

I trust this information clarifies your query.

Yours sincerely,

Gonne Barry
A/General Manager Primary Care
