RE: PQ ref 39097/25 - Service Funding - DBS - Beaumont Hospital

Dear Deputy Kelly,

Reference your recent Parliamentary Query for the Minister for Health.

'To ask the Minister for Health the amount of funding provided by HSE in 2024 and 2025 for the development of peri and post-operative services to support patients receiving deep brain stimulation'

Beaumont Hospital received funding of €390,000 in our 2024 allocation. There has been no additional funding for 2025.

If I can provide any further information, please let me know.

Kind regards,

Ms Anne Coyle
