Dear Deputy Kerrane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position;

The necessary paperwork has been submitted from local services to the National Estates Department and has been accepted for submission and discussion at the next Capital Planning meeting. We are currently awaiting the outcome of same.

I trust this information is of assistance to you, but should you have any further queries, please contact me.

Yours sincerely,
