**To ask the Minister for Health the amount of funding given to each county as part of the oncology drugs management scheme in each of the years 2014 to 2024 and to date in 2025, in tabular form; and if she will make a statement on the matter. -Conor D. McGuinness**

Dear Deputy McGuinness,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question (Reference 40601/25), which you submitted to the Minister for Health for response.

The National Cancer Control Programme (NCCP) introduced the Oncology Drug Management System (ODMS) in July of 2012 to oversee and manage the funding of specified hospital-administered systemic anti-cancer drug treatments to public hospitals.

The Primary Care Reimbursement Service (PCRS) facilitate the operation of this system. The scheme allows direct reimbursement to the hospitals, through the PCRS, based on administration of specified anti-cancer drug treatments to individual patients for the approved indications.

Funding for drugs included in the ODMS is not applied at a county level. Please see attached details of the annual ODMS expenditure by Local Health Office from 2014 to June 2025.

Yours sincerely,

Suzanne Doyle  
Primary Care Reimbursement Service
