PQ 41930/25 To ask the Minister for Health the number currently on the waiting list for adult physiotherapy in CHO6 and CHO7, County Wicklow, by length of time, in tabular form; and if she will make a statement on the matter

-John Brady

Dear Deputy Brady,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question (PQ 41930/25) which you submitted to the Minister for Health for response.

The HSE is committed to delivering efficient high-quality services to all eligible service users. In 2024, there were 512,726 patients seen by HSE Physiotherapy primary care services. Primary Care Access and Integration is focused on improving access to care in order to reduce waiting times for patients. This includes monitoring the waiting list on an on-going basis in the context of available resources.

Please find attached an appendix containing the Physiotherapy waiting list, presented in tabular form, for the Wicklow Local Health Office (formerly within Community Healthcare Organisation 6). Also included is data for the Kildare West Wicklow Local Health Office, (formerly within Community Healthcare Organisation 7). The information provided reflects the status as of the end of June 2025, which is the most recent data available at this time.
