Dear Deputy Brady,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question (PQ 41932/25) which you submitted to the Minister for Health for response.

The HSE is committed to delivering efficient high-quality services to all eligible service users. In 2024, there were 41,984 patients seen by HSE Psychology primary care services. Primary Care Access and Integration is focused on improving access to care in order to reduce waiting times for patients. This includes monitoring the waiting list on an on-going basis in the context of available resources.

Please find attached an appendix containing the Psychology waiting list, presented in tabular form, for the Wicklow Local Health Office (formerly within Community Healthcare Organisation 6). Also included is data for the Kildare West Wicklow Local Health Office, (formerly within Community Healthcare Organisation 7). The information provided reflects the status as of the end of June 2025, which is the most recent data available at this time.

Appendix 1 – Psychology Waiting List Wicklow and Kildare and West Wicklow June 2025

I trust this is of assistance.
