

Mr John Brady, TD,
Dáil Éireann,
Leinster House,
Kildare Street
Dublin 2

13th August 2025

PQ 42197/25* To ask the Minister for Health the timeline for when a project will be completed (details supplied: Primary Health Centre, Greystones, County Wicklow); and if she will make a statement on the matter. - John Brady

Dear Deputy Brady,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Questions, which you submitted to the Minister for Health for response.

Funding has been included in the HSE's Capital Plan 2025 to purchase a site for a new Primary Care Centre from Wicklow County Council and progress the design of the Primary Care Centre to tender stage.

By way of update on the progress to date for Greystones Primary Care Centre:

- A decision to grant Planning Permission for the Primary Care Centre was received in Q2 2025
- Disability Access & Fire Safety Certifications were issued in Q3 2025
- A license for access to the site was agreed with Wicklow County Council and site clearance works commenced in Q3 2025 with site investigation works to commence shortly to allow the Design Team to complete the final design of the Primary Care Centre.
- The Stage 2C Design (Acceptance of detailed design and proceed to tender) is underway with the stakeholder input being captured into the final design of the centre.

In parallel, a number of title rectifications and the transfer of the site to the HSE is being progressed by Wicklow County Council. A more definitive timeframe for the completion of the Primary Care Centre will be available once the land has transferred to the HSE.

Yours sincerely

Micheál Conneely
Interim National Director
Capital & Estates
