24th July 2025

Deputy Rice,
Dáil Éireann,
Leinster House,
Kildare Street,
Dublin 2.

PQ 42622/25 To ask the Minister for Health the average wait time for urgent referrals for speech and language therapy services, by regional health area and integrated healthcare area, in tabular form.

- Padraig Rice

Dear Deputy Rice,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question (42622/25) which you submitted to the Minister for Health for response.

The HSE is committed to delivering efficient high-quality services to all eligible service users. In 2024, there were 171,317 patients seen by HSE Primary Care Speech and Language Therapy services. Each Health Region is focused on improving access to care in order to reduce waiting times for patients in the context of resources available.

The HSE national waiting list data is collated on a monthly basis. Due to the current data systems this does not provide average waiting times for urgent speech and language therapy services. I have, however, attached the below appendix, which contains, in tabular form, details of the HSE Primary Care Speech and Language waiting lists for each region as of June 2025 which is the latest data available at this time.

Appendix 1 – Primary Care Speech and Language Therapy List June 2025

I trust this information is of assistance to you.

Seán McArt
General Manager
Primary Care Access & Integration
