Re: PQ 42660/25 – “To ask the Minister for Health the number of whole time equivalent Occupational Therapists, by Grade, based at Mountmellick Primary Care Centre in 2024 and to date in 2025, in tabular form; and if she will make a statement on the matter.”

Dear Deputy Aird,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and outline the position as follows.

The following table outlines the number of whole time equivalent Occupational Therapists (OT), by grade, in Mountmellick Primary Care Centre in 2024 and to date in 2025.

To note, there are 2 Senior OT based in Mountmellick Primary Care providing an OT service to Adults. There are no Paediatric OT posts in 2024/2025.

Mountmellick Primary Care Centre	OT Staff Grade	OT Senior Grade
2024	0	2
2025	0	2

I trust the above is in order, please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

Joseph Ruane
