08th August 2025

PQ Number: 42943/25

PQ Question: To ask the Minister for Health the number of persons on a waiting list for CAMHS, by community health organisation, age category and time waiting in each of the years 2020 to date, in tabular form; and if she will make a statement on the matter. –Pa Daly

Dear Deputy Daly

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

CAMHS provide specialist mental health service to those aged up to 18 years, who have reached the threshold for a diagnosis of moderate to severe mental health disorder that require the input of a multi-disciplinary mental health teams.

Please be advised that the information requested by the Deputy is already available publically in tabular form and can be found by consulting with the HSE Performance Reports which can be found here: <https://www.hse.ie/eng/services/publications/performance-reports/>

These Performance Reports provide an overall analysis of key performance data across care groups, including, Mental Health as well as Finance and Human Resources. The activity data reported is based on the Performance Activity and Key Performance Indicators outlined in the current National Service Plan. The report is collated by the HSE's Operational Performance and Integration Office.
