Dear Deputy Ahern,

I refer to the above Parliamentary Questions which has been referred by the Minister for Children; Equality; Disability; Integration and Youth to the Health Service Executive for direct response. I have examined the matter and the following outlines the position.

We have provided the detail requested from 2022 onwards as CDNTs were only established at the end of 2021. CDNT's were established to provide services and supports for all children with complex needs within a defined geographic area. Regardless of the nature of their disability, where they live, or the school they attend, every child with complex needs and their families have access to the full range of family centred services and supports of their CDNT according to their individual needs. This includes universal, targeted and specialist supports, such as individual therapeutic intervention and access to specialist consultation and assessment when needed. Supports are provided as is feasible in the child's natural environments - their home, school and community the funding allocation to Disability Services for staffing of Children's Disability Network Teams is as below:

CDNT Name	2022 Act €	2023 Act €	2024 Act €	2025 June YTD Act €
CDNT 1 HSE Brú Chaoimhin	1,293,603	1,601,499	1,597,056	763,088
