Re: PQ 28908/25 *"To ask the Minister for Health the number of WTE radiation therapists and radiation therapist clinical specialists at Beaumont Hospital as of 26 May 2025 and as of 31 December 2022, in tabular form"*

Dear Deputy Clarke,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

St. Luke's Radiation Oncology Network (SLRON) is a single network across the three sites of SLRON at Beaumont, at St. James's Hospital and St. Luke's Hospital. As such the response is for all of SLRON, not just for SLRON at Beaumont."

Date	Funded Staffing Model	Number of Radiation Therapists and Clinical Specialist Radiation Therapists	Vacant posts
31 st December 2022	148 WTE	117.4 WTE	30.6 WTE
26 th May 2025	150.5 WTE	128.8 WTE	21.7 WTE

I trust this information if of assistance to you but should you have any further queries please contact me.

Yours sincerely,

Jennifer Carey
General Manager,
St Luke's Radiation Oncology Network
