PQ Question: To ask the Minister for Health for a timetable for the establishment of Jigsaw in County Clare; if it will be established in more than one location in the county, given its size; and if she will make a statement on the matter. -Donna McGettigan

Dear Deputy McGettigan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

The HSE regularly meets with Jigsaw as part of our Service Level Agreement meetings where any potential expansion of services is discussed. The HSE also have regular engagements with the Department of Health in relation to service requirements and developments.

The expansion of Jigsaw services can only be considered through our annual estimates process, along with the consideration of all other health service developments.

I trust this information is of assistance to you.

Yours Sincerely,

Paul Braham
