24th June 2025

Deputy Aidan Farrelly TD
Dáil Éireann
Leinster House
Dublin 2

PQ:29367/25

To ask the Minister for Health the details of the National Ambulance Service fleet for each of the years 2022 to 2025 inclusive and the number of vehicles by type, in tabular form. -Aidan Farrelly

Dear Deputy Farrelly

The Health Service Executive (HSE) National Ambulance Service (NAS) has been requested to reply directly to you in the context of the above parliamentary question which you submitted to the Minister for response.

The table below details the number of NAS vehicles available operationally. The fleet also has other vehicles, which are not listed below, which are specialist vehicles.

Year	No of EA's	No of ICV's	Other operational response vehicles
2022 (Dec)	309	63	223
2023 (Dec)	302	60	217
2024 (Dec)	354	61	231
2025 (May)	371	60	220

I trust this information is of assistance.

Yours sincerely

Johnny Dicker
Head of Service - Fleet & Assets
National Ambulance Service
