Re: Parliamentary Question 29507/25 *“To ask the Minister for Health the current and known upcoming vacancies at Cavan and Monaghan Hospital group; the dates on which the vacancies arose or will arise and the dates when vacancies are expected to be filled, in tabular form; and if she will make a statement on the matter.*

Dear Deputy Carthy,

HSE Dublin and North East has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. Having reviewed the matter, the following outlines the position.

Please find below table detailing staffing vacancies as of April 2025 for Cavan & Monaghan Hospital:

Staff Category	WTE Vacancies (Apr 2025) as per PNS
Medical & Dental	11.1
Nursing & Midwifery	0.4
Health & Social Care Professionals	-
Management & Administrative	14.2
General Support	6.0
Patient & Client Care	15.9

The figures are derived in accordance with the Pay and Numbers Strategy (PNS) WTE Limit, as set out in HR Memo 036/2024, and reflect the variance between approved funded workforce ceilings and actual staff in post at a specific point in time.

- Figures represent point-in-time variances and do not imply recruitment inactivity.
- Recruitment to permanently fill approved vacancies is in progress; however, to safeguard service continuity, interim cover through temporary appointments or agency staff is being proactively implemented where necessary.

I trust this information is of assistance to you.

Yours sincerely,

June Molloy
Communications and Public Affairs Manager
