Re: Parliamentary Question 29754/25 *“To ask the Minister for Health the number of anaesthesiologists will be working in James Connolly Memorial Hospital to reduce the two year long waiting list for treatments requiring general anaesthetic; and if she will make a statement on the matter”*

Dear Deputy Stanley,

HSE Dublin and North East has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. Having reviewed the matter, the following outlines the position.

I can confirm that there are 11 Whole Time Equivalent Anesthesiologists currently employed in Connolly Hospital with no patient waiting over 2 years.

I trust this information is of assistance to you.

Yours sincerely,

Stephanie Dunne
