Dear Deputy Kerrane,

PQ 29811-25 To ask the Minister for Health if Roscommon University Hospital is providing ultrasound scans for patients in receipt of medical cards. -Claire Kerrane.

The pathway for Ultrasounds;

We accept non-medical card holders, public patients no medical cards, Private patients. Medical Card holders are referred to a company called Affidea, they are based all over the country and have a base in the Primary Care in Roscommon, they specifically deal with Medical Card holders and is the quickest way of getting an Ultrasound.

Yours sincerely,

Marie Doorly,
I/ General Manager,
