PQ 30288/25

To ask the Minister for Health the number of persons on the waiting list for the regional endometriosis hub based at University Hospital Limerick; and if she will make a statement on the matter. -Donna McGettigan

Dear Deputy McGettigan,

I refer to your correspondence dated 6th June 2025.

There are currently seventeen new and forty seven review patients on the waiting list for the endometriosis outpatient clinic in University Hospital Limerick as of the 20th June 2025.

Patients are scheduled chronologically and based on their clinical need with urgent patients being seen within 28 days, semi urgent within 13 weeks and non-urgent within twenty six weeks.

I trust this clarifies the position. Please contact me if you have any further queries.

Kind Regards,

IAN CARTER
