Re: PQ ref 30806/25

“To ask the Minister for Health if she will provide the list of capital projects for IT services, by her Department or bodies under its aegis, which had contracts valued in excess of €1million that failed to reach completion; the value that was written off, for the years 2022, 2023 and 2024, in tabular form; and if she will make a statement on the matter.”

Dear Deputy Farrell,

See below and attached details of two projects. Project ID 15127 had capital spend in 2022 and 2023, but Project ID 17077 Acute EHR did not have spend in 2022,2023 or 2024. Both projects were cancelled to realign with the new EHR Programme.

Project ID	Project Name	2022 Capital Spend	2023 Capital Spend	2024 Capital Spend	Project Status	Cancellation Reason
17077	Acute EHR (under 15127 EHR Programme)	0.00	0.00	0.00	Cancelled	Realigned to new EHR programme
15127	EHR programme	58,117.50	49,014.31	0.00	Cancelled	Realigned to the new EHR programme

If you feel that the question has not been fully answered or you require any further clarity, please contact me.

Yours sincerely,

Fran Thompson,
Chief Information Officer, Technology and Transformation, HSE.
