Mr. Colm Burke, T.D.,

Dáil Éireann,

Dublin 2

PQ ref 31054/25

“To ask the Minister for Health when it is proposed to increase capacity in the neurological rehabilitation facility in Tower, Blarney, Cork from 20 beds to 50 beds and recruit the necessary staff, taking into account that there is up to a nine-month waiting time to get into the National Rehabilitation Facility in Dún Laoghaire; and if she will make a statement on the matter.”

Dear Deputy Burke,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

The HSE South West is currently engaging with both national and local stakeholders. Once this engagement process has been completed, we will be in a position to communicate our final decision regarding the provision of these services.

Kind Regards,

Sonya Cotter
