Dear Deputy Sherlock

The Health Service Executive has been requested to reply directly to you in regard to your parliamentary question, which you submitted to the Minister for Health for a response. I have examined the matter and the following outlines the position.

The Health Service Executive (HSE) confirms that the Primary Care GP unit maintains data for General Practitioners (GPs) who hold a General Medical Services (GMS) contract with the HSE. As the data is not held by Primary Care Network Area, we have provided it by county or by IHA as available.

	Number of GPs holding GMS Contracts
Dublin South City and West Integrated Healthcare Area	128
Kildare West Wicklow Integrated Healthcare Area	106
Dublin South West Integrated Healthcare Area	80
Longford (Midlands Integrated Healthcare Area)	21
Westmeath (Midlands Integrated Healthcare Area)	48
Laois (Midlands Integrated Healthcare Area)	40
Offaly (Midlands Integrated Healthcare Area)	33

The Primary Care Reimbursement Service generates and updates a national list of GMS GPs, which can be accessed via the link below.

Yours sincerely,
